Veyo, Utah 84782

Subject: Request for Business Entity Name and/or Associated Actions, Color Country Rock, LLC, Vermillion Mine, S/053/076, Washington County, Utah

Dear Mr. Hafen:

The Division (OGM) has received the original letter of credit in the amount of \$15,000.00 as reclamation surety for the Vermillion Mine Site. The letter of credit has been established under the entity name Color Country Rock, LLC in favor of the OGM and the BLM. Color Country Rock, LLC is not an existing entity with the Utah Division of Corporations. In order to enter into a contractual agreement with the Division, an entity must be registered and in good standing with the Utah Division of Corporations. Therefore, one of the following actions is required:

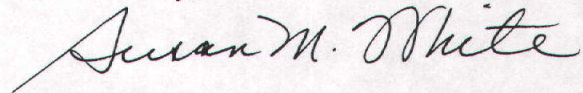

- Register the name, Color Country Rock, LLC, with the Utah Division of Corporations, and provide documentation to the Division that said action has occurred;
- Contact Sun First Bank, and amend the letter of credit to identify the account party's name to Preston Hafen. While taking that action, please amend the Notice of Intention to Conduct Mining Operations (NOI) by changing the name from Color Country Rock, LLC to Preston Hafen, individual. A blank first page of the NOI is enclosed to complete and submit to the Division. This page must be accompanied by a cover letter requesting the operator name change.

To finalize and obtain Division approval of the reclamation surety, a reclamation contract must be completed, signed and notarized and the original returned to the Division. However, this action cannot occur until you implement either the operator name change or register Color Country Rock, LLC with the Utah Division of Corporations. A partially completed reclamation contract is enclosed. Please complete the missing information before returning the original to the Division.
